## 1. Assembling Xiaomi's Fitness-Bracelet (Mi band)

take the basis of the bracelet and a strap

Mi band Pulse

Basis of the bracelet - strap

insert the bracelet basis into a strap

put a strap to your wrist

2. Installing Mi band App

Install Mi Health App or scan the QR-code and download the Mi Health App.

3. Mi band connection

Turn the Mi band App on. Then your Xiaomi smartphone should detect the Fitness-Bracelet on base of the smartphone's registration number.

Indicators on the smartphone will turn white. Gently press them few times to finish the registration.

4. Mi band usage

1/3 steps to a goal

more than 1/3 steps to a goal
A goal is achieved

more than 2/3 steps to a goal

After a successful synchronization the Mi band immediately starts to monitor the activity of your movements and the trace quality of your sleep, and heart rate. The quantity of included indicators shows the intensity of your movements. You can look at your bracelet and check the indicators at any time.
5. Charging a battery

3 red flashing lights indicate a battery is running low. Please, charge your device.
